Find Jobs

- Visit our virtual one stop at www.ncworks.gov. Register to view available jobs & apply online.
- Build or upload a resume on www.ncworks.gov and match your skills and experiences to jobs listed there.
- Be found by employers when you enter the skills & experience they are looking for.
- Talk with our staff about industries with jobs in demand & companies hiring for those jobs.
- Explore local labor market information and salaries.
- Attend job fairs virtually and in our office.

Get Training

- Use our free online tutorials and training programs to build the skills you need to be most competitive in the job market.
- Take advantage of the career assessments available.
- Funds are available to eligible individuals to cover the cost of short-term and long-term training. Ask us for more information on WIOA financial assistance.
- Learn about on-the-job training opportunities.

Discover a Career

- Talk with a career counselor for career exploration & decision making, or career advancement strategies.
- Make a plan for reaching your career goal & receive staff assistance in following your plan.
